**AUGUST 2-18, 2013**

As Governor, it is a pleasure to welcome you to the Indiana State Fair. Indiana is home to the nation's best State Fair and the tradition continues this year. My wife Karen and I have always enjoyed the State Fair, and we look forward to celebrating the "Year of Popcorn" presented by Pop Weaver Popcorn with our fellow Hoosiers this year.

I encourage all of you to take advantage of the family experiences and educational opportunities you will find at the State Fair. Check out the World's Largest Popcorn Ball pres. Indiana Family of Farmers, located in the Ball State Agriculture and Horticulture Building. Stop by the Dairy Bar to try all foods dairy, and do not miss the opportunity to sign young Hoosiers up to learn how to fish at the FishIN' Pond behind the Department of Natural Resources Building. Educators and their students should attend STEM days August 13-16 for free, hands-on learning activities about science, technology, engineering, and math that students would not get in the classroom.

Karen and I enjoy strolling through Pioneer Village and will definitely explore the new Glass Barn, designed by The Indiana Soybean Alliance, that hosts an array of interactive games and activities that teach Hoosiers how farming works and how food is produced.

Thank you to the Indiana State Fair Commission for planning and hosting the State Fair. Your dedication to and involvement in the Hoosier community is what makes events like the State Fair possible and Indiana a great place to live.

Sincerely,

Michael R. Pence  
Governor of Indiana

## ENJOY THE FAIR...WASH YOUR HANDS ★ ★ ★

One of the best parts of the Indiana State Fair is getting close to all the different animals. The safest way to enjoy the animals is to make sure to wash your hands after each time you have contact with any of them. This is especially true for young children.

As you stroll around the Fairgrounds, you will notice dozens of hand-sanitizing stations and restrooms. Please use these to keep your hands clean, especially if you are preparing to enjoy some of your favorite fair foods. In fact, you should make sure to clean with soap and hot water before you eat.

Be smart, stay healthy! Pet the animals, then WASH YOUR HANDS! It's the best way to enjoy your Great Indiana State Fair.
